## HERE WE GROW AGAIN

### THE ROCK FALL SOCCER ACADEMY REGISTRATION NOW OPEN.

The Fall program is looking **AWESOME** with Athena I v I I Tournament Play, Professional Coaching and 2 practices / week at the quality YHC fields.

**Our goal is to provide higher level competition, combined with professional coaching, promoting advancement in both team and individual development.**

#### What is Athena:

Athena is the Youth Soccer Nation Wide program for a higher level of competition (above Rec. play). When competing in tournaments there are different levels of Athena/Select to compete against so we are competing against teams of like ability - thus challenging the team.

#### I I v. I I Tournament Play:

Three Fall Tournament dates have been selected for the play schedule (see margin for dates). The ROCK team will compete against other Athena teams. Three games per tournament guaranteed.

#### Professional Coaching:

Young Harris College's Head Men's Soccer Coach Mark McKeever will coordinate all team instruction. Coach McKeever's Bio can be accessed at [www.yhc.edu/athletics](http://www.yhc.edu/athletics).

#### Practices:

Players will practice twice a week at the quality YHC fields. Practice dates will be posted in advance. Practices typically will not be scheduled for Wednesday or Sunday unless other options are not available for that specific week. Practices will start the week of August 16.

#### Tuition

Regionally, our Fall Tuition is about 1/2 of other similar programs. The Fall tuition *INCLUDES Tournament Fees for 3 tournaments*, Player Insurance (required), Player Athena Registration Fee, Team Jersey and Professional Coaching for the 2x/week practice sessions! All of this totaling just \$375 per player.
